Getting started with Library Catalogue

Library and Information Services supports the Teaching and Learning goals of the Institute by delivering a service that empowers, informs and leads.
Searching...

Go to the Batchelor Institute website (http://www.batchelor.edu.au), click on the Library tab and select Library home from the dropdown menu.

Before starting a search, choose the catalogue you wish to use. Enter the keywords you want, and the catalogue will look for words anywhere in the record.
<table>

</table>
check the item is the correct one
note if it’s available on your campus
write the call number down
find the item on the shelf!
ask if you need help

Look for more help from other Getting started with guides…
• DIJ
• EBSCO databases
• INFORMIT databases
• Tips & tricks for searching online
And remember that you can always ask the library staff who are happy to help.

Culturally sensitive material is held in this library
