

FREE INFECTION CONTROL TRAINING

COVID-19 Mitigation

As part of a new agreement between the Commonwealth and Northern Territory Government, Batchelor Institute (RTO 0383) is delivering free infection control training to NT businesses located in the **Barkly Region**.

The training is:

- › a response to the COVID-19 pandemic
- › open to both Indigenous and non-Indigenous workers
- › based on new skill sets developed for infection control
- › to be delivered in 1 day, and
- › free of charge.

Businesses can nominate key personnel who are responsible for keeping the workplace safe, to undertake **one** of the skill sets below.
