HLTAID004

Provide an emergency First Aid response in an education and care setting

All information correct as of Aug 2018

### ABOUT THE COURSE

This unit describes the skills and knowledge required to provide a First Aid response to infants, children and adults.

The unit applies to educators and support staff working within an education and care setting who are required to respond to a first aid emergency, including asthmatic and anaphylactic emergencies.

This unit of competency may contribute towards approved First Aid, asthma and anaphylaxis training under the Education and Care Services National Law and the Education and Care Services National Regulations (2011).

To maintain currency, this unit needs to be revised and reassessed every three years. The CPR section requires annual renewal.
