Policy

VET Student Fees

1. Outline

1.1 The purpose of this policy is to ensure that Batchelor Institute of Indigenous Tertiary Education (the Institute) activities, strategies and processes in relation to the principles for the collection, exemptions from and refunds of student fees are aligned with the Institute’s strategic and corporate plans and external Commonwealth and State/Territory standards. Adherence to this policy will ensure that:

- all activities reflect consistent applications, and
- all activities comply with national standards.

1.2 This policy does not remove the right of the student to take action under Australia’s consumer protection laws.

2. Summary

- The principles, application, invoicing and collection of fees;
- Fee exemptions;

and enrol in

- a course AQF level III and above; or
- a recognised VET National Skill Set; or
- an approved stand-alone unit/program

a) The employer would be expected to contribute to the payment of student fees

If the employer is unable to contribute towards the payment of student fees, the fees remain the responsibility of the student.
