

**HIGHER DEGREE RESEARCH ABS RESEARCH ACTIVITY OBJECTIVES**

This form is to be used by Higher Degree by Research Candidate(s) to elect the Australian and New Zealand Research Codes which are reported to the Australian Bureau of Statistics for the Australian Government and which contribute to decisions about education and research and funding.

This information is reported by Batchelor Institute to the Australian Government and is a required practice for Academic staff and Candidate. You will need to be able to use this system in your professional career and so its important as part of the HDR training program that you complete this paperwork.

Please discuss any questions with your Supervisors or our Graduate School team and when complete return it to: [graduateschool@batchelor.edu.au](mailto:graduateschool@batchelor.edu.au)
