Field of Research, Socio-Economic Objectives, and Type of Activity

The link to download the Australian and New Zealand Field of Research and Socio Economic Objectives is:
<https://www.abs.gov.au/statistics/classifications/australian-and-new-zealand-standard-research-classification-anzsrc/latest-release>

Please add your research classification and percentages for each:

Type of Activity	Field of research (six digit)	%	Socio-Ec Objective (six digit)	%
------------------	-------------------------------	---	--------------------------------	---

Candidate response to Examiners' reports

Please identify how you have addressed each of the suggestions made by the examiners as endorsed by Graduate School. Where you chose not to make a change this must be justified. Where you have made a change this must be noted.

Two electronic versions of the final submitted work should be returned to the Graduate School along with this certification signed by both Candidate and Primary Supervisor:

Version One_ An electronic copy showing marked up changes which are listed below (MS Word) Version Two_ The final clean copy in which all changes made have been accepted and the document converted to a PDF for archiving, binding and managing within the library system (PDF)

Please use the space below or attach a separate document, listing the changes and justifications that correspond to the changes suggested in the examiner comments

Primary Supervisor comments:

Please comment on changes made by the Candidate in response to Examiner suggestions and/or justification(s) for not adopting suggestions.

Primary Supervisor's Certification

I recommend that the Research Committee fully endorse the candidate's thesis submission as it now stands and agree to the award of the degree of

I do not recommend that the Research Committee endorse the candidate's thesis as it now stands.
